

No Clunker Required

Our GREEN TAG SALE is BETTER than the Government's Stateside Cash For Clunkers (C.A.R.S.) program. The best part is that EVERYONE is eligible to take advantage of our huge savings. ENCS believes any brand vehicle, with its improved fuel efficiency, recycled materials content, state-of-the-art technology and up-to-date safety features, is a better, greener alternative to an older car or truck you've been driving or a used vehicle you may be considering. That's why ENCS brings you the Green Tag Sale without requiring a "clunker" to turn in.
